

The State Sunday School Convention.

A GOOD DELEGATION IN ATTENDANCE AND MUCH INTEREST MANIFESTED IN THE WORK.

UNION'S HOSPITALITY.

The 17th Annual Convention of the South Carolina State Sunday School Association convened in the Presbyterian Church at Union, on Tuesday at 9 o'clock, p. m., J. E. Siffey, of Paoliot, presiding. Song and praise services were conducted by Frank F. Whilden, of Charleston. After stating that Rev. S. L. Lindsey, of St. Louis, Mo., who was to address the Association on the "World Wide Sunday School Work" was absent, he called for reports from those who attended the International Interdenominational and World Wide Convention at St. Louis, Mo. Messrs. Ezell, Ravenel and Coleman responded in very interesting talks. Committees were then appointed as follows:

On Nominations—T. H. Law, J. H. Wharton, J. R. Massie, Jr., Frank F. Whilden, Rev. W. H. Dowling.

Finance—W. S. Gray, W. A. Templeton, J. E. Ellerbe, S. C. Todd, J. L. Berg.

Resolutions—S. B. Ezell, Rev. C. W. Humphries, Rev. J. W. Shell, Rev. J. G. Williams, Rev. S. P. H. Elwell, A. M. Boser.

The following delegates were then enrolled: Abbeville, W. A. Templeton. Barnwell, Rev. J. G. Williams. Charleston, Frank F. Whilden, Mrs. Mary S. Woodruff, G. B. P. Robinson, Greenville, Rev. R. F. Whilden. Hampton, Rev. W. H. Dowling. Lancaster, Rev. J. L. McCall, J. R. Massie, Jr., C. W. Humphries, Miss M. B. Humphries.

Newberry, M. A. Carlisle, A. E. P. Bedenbaugh. Richland, S. P. H. Elwell, A. M. Boser, Mrs. Sue E. Dixon, Wm. Hogan, J. L. Berg, W. Sanders Hogan.

Spartanburg, Rev. B. P. Robinson, Rev. J. L. Siffey, Miss Budd, C. H. Carlisle, T. H. Law, S. B. Ezell, H. E. Ravenel, A. B. Woodruff.

Union, J. L. Strain, Mrs. E. E. Colton, R. L. Coleman, Rev. C. A. B. Jennings, S. S. Stokes, Wm. A. Nicholson, Rev. B. G. Clifford, W. T. Thomson, T. M. Littlejohn, R. T. Gee, J. W. Gregory, Mrs. John L. Young, Mrs. W. A. Nicholson, Mrs. Jas. H. Rodgers, Mrs. W. H. Sartor, Rev. Benj. Alston, Mrs. O. V. Posey.

York, Rev. B. O. Berry.

After enrollment the meeting adjourned with the benediction.

The Convention was called to order at 9:30, a. m. After opening exercises and adding new names to the roll, the following committees were nominated by the nominating committee for the ensuing term: President, Rev. C. W. Humphries, of Lancaster; Vice Pres. F. F. Whilden, of Charleston; Sec'y and Treas'r, Walter I. Herbert, of Laurens; Statistical Sec'y, J. L. Berg, of Columbia; S. C. Todd, of York. Along with these were nominations for the different committees embracing nearly half of the delegation present. The report was adopted. Mr. Berg declined to serve as statistical Secretary, and the committee was granted further time to choose a suitable man. A resolution of thanks was extended to C. H. Carlisle for his efficient work as chairman of the Executive Committee.

A moral training lesson was given the convention by S. B. Ezell on "The Recitation," with black board illustration. The report made his report, showing that he had done a good work in the field in the absence of a field Secretary, having visited 9 counties and organized 6 of them. Conventions have been held in three of them. Others have failed to meet. A plan for organizing Charleston has not yet crystallized, though his great faith in Charleston county, and think she will yet lead the van. Beaufort in need of white Sunday schools, only 5 in the county, recommends the union of Hampton and Beaufort into an association. Recommends that a portion of Berkeley county east of the N. E. R. R. be added to Charleston association, and West Berkeley and Colleton to unite. Hard to establish interdenominational work where Denominational conventions are already held. Don't like to give a bird in the hand for one in the bush. Thinks the work is advancing in South Carolina, and becoming popular. A State organization is greatly needed. The report was received and referred to the committee. The Executive Committee's report was also received and referred. A special committee of three was appointed to draft suitable resolutions on the death of C. L. Fife, a faithful worker. Committee: W. S. Gray, J. H. Wharton and Rev. J. W. Shell. The reports of the different counties represented was called for and were read, showing increased interest in the Sunday School work, giving much attention to the normal training feature that is being introduced into the Sunday school work. Illustrating and showing the advantages derived by this method of teaching the teacher how to teach. It is becoming very popular and all the counties are well pleased with it.

The Committee on Executive Committee's reports, concur in the recommendation to grant a graduation Diploma to Rev. H. P. Robinson of Gaffney, a graduate of Prof. Hamill's Legion of Honor Normal Course, and that Dr. Thomas H. Law present the same in name of Convention. The Resolution Committee on Mr. Fife's death, handed suitable and lengthy resolutions.

The town were gathered on the front benches to be taught model primary lessons on the black board, by Mrs. Whilden and Miss Budd. These lessons were very instructive and entertaining and held the closest attention of the little folks. The journey of the Wise men of the East guided by the Star, was all illustrated and explained so thoroughly that the least child could understand it as the teacher progressed. The children showed that they were thoroughly interested and were taking in all they saw, by the prompt answers they gave when the teacher got through and began questioning them about the lesson just taught. A vote of thanks was tendered Mrs. Whilden and Miss Budd for the able manner in which they managed the black board lessons. The report of the Treas. showed balance of \$500.00, Motion made to take up financial adjustment at night session. The hour for final adjournment was fixed at 12 o'clock Thursday.

EIGHT SESSIONS.

A song service was conducted by Mr. F. F. Whilden. Two corners a table materially to the music. After a song by Rev. W. I. Herbert, Dr. Law gave a normal lesson "The Lesson Study" on the blackboard.

First explaining the preparation and then the plan. This was very interesting and occupied about one hour. Quite a number arose as to the election of Mr. Sams Field Sec'y in his absence. Master finally carried over until tomorrow morning session. The financial question was then taken up and the Counties were pledged by the Delegates to various amounts from 10.00 to 50.00. Then individual and county pledges were taken from a dollar to \$10.00, quite a number giving 10.00. The amounts subscribed were Abbeville \$10.00, Rev. J. G. Williams

\$20.00, Charleston \$25.00, Hampton \$10.00, Horry \$25.00, Lancaster \$25.00, Laurens \$50.00, Newberry \$25.00, Richland \$5.00, Spartanburg \$50.00, Union \$25.00, J. W. Shell 10.00, W. A. Nicholson 10.00, A. C. Todd 10.00, Methodist S. S. Spartanburg 10.00, 1st Baptist S. S. Spg. 10.00, J. L. Berg 5.00, J. L. Siffey 5.00, B. P. Robinson 5.00, M. A. Carlisle 5.00, A. M. Hozer 5.00, Wm. Hogan 5.00, Woodruff Baptist S. S. 5.00. Total subscribed \$526.00. A motion to adjourn and continue the meeting in the a. m. carried. And the meeting adjourned to meet Thursday morning at 9 o'clock.

THURSDAY MORNING.

Meeting called to order at 9 o'clock, after song service. Upon recommendation of the committee the name of R. O. Sams was suggested as field secretary. It was decided to hold the next convention at Newberry.

A series of dates were suggested by the committee for the holding of the different county conventions, and the counties asked to conform to the arrangements as near as possible. It was recommended that an editor be appointed for the Organ, the Sunday School Trumpet, with full control of the paper. The price was fixed at 25 cents per annum for single copies club price to be fixed by the Executive Committee.

Of the \$483.26 in the hands of the treasurer \$850.00 was appropriated as salary for the two secretaries, statistical and field, \$200 for the printer, \$100 for international work and \$100 for literature, postage, etc. Each county was assessed on motion, \$25 each for the work. Each county was urged to hold conventions.

Resolutions of thanks were adopted, appreciative of the kind reception and unbounded hospitality of the people of Union, and for the use of the commodious Presbyterian church, and to the splendid choir for the delightful music furnished to the convention. Also a resolution of thanks to the press of the State for the interest manifested in the great Sunday School work.

A normal lesson was given from the Trumpet which resulted in securing 390 subscribers. More subscriptions were asked to help carry along the work of the State Sunday School Association, which result led to \$140 being added to the amount raised last night, making a total of \$416.00.

The normal lesson was then taught on the black board by Rev. B. P. Robinson, which was very interesting, showing how thoroughly the teachers could be made to understand a lesson taught by this method. The subject being "The Life of Christ—Showing His distinctive periods in His life. Illustrated by a great center star, with six points, each point holding another star. The central star representing Christ, the six points representing the six eras of the seven stars. The period: "Preparation," for the Christ's work. "Incarnation" of His life work. "Popularity" of Christ, "Persecution" of Christ, "Death" of Christ, and 6th "Resurrection." Each of these periods contained a six pointed star faithfully tracing the steps of Christ from his birth to his resurrection and ascension. This was one of the most beautiful lessons I have ever witnessed. After this the graduating diploma was presented to Mr. Robinson by Dr. T. H. Law in a few well-chosen remarks. Saying this was the marking of an era. That this was the first diploma that the Association had presented but that he hoped many more would follow. The balance of the time was given to experience meeting, at which all expressed themselves highly pleased with the model normal lessons and had been much benefited thereby. A number promising to take up the work and push it in their Schools, all highly pleased with their reception in Union.

The meeting adjourned to meet in Newberry next year. And the beautiful song "God be with you till we meet again" was sung by the whole congregation.

This happy occasion will long be remembered by the citizens of Union, as one of great instruction and help in the Sunday-School work.

OUR CORRESPONDENTS.

Santee.

Sept. 3rd.—I had, I can truthfully say the exquisite pleasure of attending the Baptist Association on the 28th and 30th at Bethesda church and will say in the off-start that it was the most pleasant and interesting meetings that I ever attended. Although the election interfered somewhat the first day, causing a lateness in the arrival of delegates and visitors, it was entirely laid aside, and the Association progressed smoothly and pleasantly. There was a very hard rain the first day, continuing light rain until night, making it very unpleasant for all going home. Otherwise, the weather was all that could be desired. I would like to refer to the proceedings, but that will consume considerable space, and may not interest. Of course, all of the members interested will soon have published minutes. The same officers were unanimously elected as follows: Moderator, D. N. Wilburn; Clerk, W. B. Crosby; Treasurer, C. B. Bobo.

In consequence of the late hour—no work having been done until in the afternoon—the introductory sermon, which was to have been preached by Rev. W. E. G. Humphries, was dispensed with, it being very necessary to push work to get it all through. All reports of standing committees were read, ready for discussions, and action the next (2nd) day. Also all of the appointments of special committees were handled the chairman of each. I will not here give the committees, except a special committee of one, suggested from each church, to look after and solicit contributions from among their members for the "Aged Ministers Relief Fund." This object was given much consideration, as it would be a great shame upon the denomination to cast an aged and infirm minister, after his usefulness, as a pastor and preacher, has ceased, on account of age, aside, as an old garment.

Miss M. H. Robinson, of Columbia church, was more appointed as committee on the part of the Association.

Crosby; Bethesda, M. S. Lee; Fair View, S. T. Spears; Hebron, Miss Carrie Hawkins; Jonesville, Mrs. Dr. Southard; Mt. Joy, J. W. Goring, Mt. Lebanon, W. H. Spillen; Lower Fair Forest, Jos. Sanders; Putnam, S. S. Smith; Padgett's creek, R. V. Ray; Phillip, W. C. Johnson, Sulphur Springs, Miss Mionie Lanester; Salem, R. G. A. Jeter; Union, Miss Jennie Wilkins; West Springs, Miss L. F. West.

On the second day, Dr. T. M. Bailey, Corresponding Secretary of the Mission Board, representing that Board, and the Board of 'Courier; and Rev. J. L. Vass, Superintendent of Commie Maxwell, Orphanage, came in, were welcomed, and given opportunities to present these objects to the Association. The people are beginning to look on the Orphanage as becoming the grand work of the denomination, and Rev. Mr. Vass, in his interesting and instructive, pointing out how many had not thought of before, and showing how little for a such one, provided every cent is put to the use of supporting, educating, refining and elevating to make citizenship many orphans, who might otherwise become worthless to this country—a shame and disgrace. Dr. Bailey, presented, ably, the cause of State Missions, giving some statistics of the work accomplished in this object, his chief work in this State. He also devoted a short while to the cause of the Baptist Cause. All who know Dr. Bailey know how he can interest an audience, and instruct them, and he did nothing to divert from his reputation, this time. Mr. Dr. Southard is on a visit to relatives in Spartanburg County.

Mr. James Gault, of Cobb County, Ga., through a Union County man was in this county last week on a visit. Mr. Gault says most of his neighbors have gone over to the third party but he still holds on to his democracy in its purity.

Rev. C. C. Vaughan baptized 22 persons at the pool in our town yesterday, they joined at Gilead church at a meeting a few weeks ago.

Rev. J. S. Porter preached at the Methodist church last night and received four into the church here.

Mr. J. L. Hames and wife have gone to Gaffney City on a visit.

I hope there will be a general turning out of the old veterans and their families to the reunion advertised by Col. McKenrick.

Clifton.

Sept. 10.—I would probably interest some of the people of Union county to know something of the former residents of that section now living in and around Clifton. I have endeavored to ascertain the names of all, but for the list is incomplete. So far as known, the names and former residences are as follows:

Wm. Harmon, Robert N. Ward, J. W. R. Mosely, Felix P. Mosely, A. Winger, (formerly Miss Mosely) Jane Littlejohn, B. H. Littlejohn, Jas. Charles, John Ward, Mat. Crook, and sons, T. E. Mitchell, W. T. Wright, James Powell, J. R. Fowler, Joe Miller and William Kirby of Jonesville.

Frank Coleman, Lem Burgess, Elbridge Wood, J. M. Coyle, John Coyle, Lem Holcomb and brother, Joe Gault, John Johnson and Lem Du're, Gowdysville.

J. H. Foster, J. M. Austin and ——— Harris, Kelson.

W. Gregory, John Jones, Mrs. Francis Johns and sons, Joe and John, and N. R. Bailey, Union, J. C. Cudd, Josh Cudd and L. B. Bailey, Mt. Taber, Dexter Shipley, T. L. Shipley, W. D. McPherson and John R. McPherson from the upper part of the county. R. L. Davis from the Elbereth neighborhood. I think Dr. G. Bullington's family are also from Jonesville.

The above list is very probably incomplete, and, if possible, I will add the missing names, with any necessary corrections next week.

Sedalia.

Sept. 14th.—The new mail route from Sedalia to Clifton which has been agitating the minds of our people is finally assured. Do not know for certain but think that the service will be tri-weekly. Mr. C. B. Bobo who was active in securing the route will probably be a postmaster on the new route and have the postoffice at or near his house. There will be another office at Philbin in Laurens county with Mr. Philbin as postmaster.

Cotton picking has commenced in small way. Cotton is good, though perhaps not so good as the large weed might lead one to expect.

Fodder pulling is still going on. Corn is excellent—better than for years. The low-ground corn will be quite as good as the upland provided an upward fresh covers it with water or sweeps it away.

Mr. M. W. Bobo, postmaster at Fedalia, who has been sick over a month with typhoid fever, is much better now and his friends entertain great hopes of his recovery.

Star Farm.

STAR FARM, Sept. 5.—The sale at the residence of the late Jno. R. Jefferys came off on the 4th as by notice. The Engine brought \$250, and the seven mules \$250. Other things sold liberally well.

P. S. Webber cried the property. There was a right good crowd present.

Mrs. Melinda Millwood, wife of James Millwood, died on the 3rd and was buried on the 4th at E. Bethel church. James Millwood is a helpless Confederate soldier. He was shot on the day that General Lee surrendered, and has been an invalid several years.

To the Ladies:—Our Stock of Dress Goods and Trimmings will be in Stock and ready for inspection in a very few days, and we can safely say we will be able to show you the prettiest and largest line of Dress Goods ever brought to Union.

Dispenser Roach was Mad.

Charged with Running a Blind Tiger.

The county board of control met yesterday afternoon, and it was a lively meeting or rather the incident at the cross was lively. The meeting was held for the purpose of electing the three local dispensers for the ensuing year. All of the old dispensers were candidates for re-election, but the board did not seem inclined to elect them.

It seems that it had been reported to Dr. Folk that Dispenser Roach was running a blind tiger, and Dr. Folk related the charges to the board, which effectually cut off Mr. Roach's chances for re-election. Of these charges Mr. Roach did not know, but he heard of them, and went post haste to the meeting of the board. He was so anxious to get in that he nearly broke the door down before it could be opened for him. About the first thing that he uttered when he got in, so it is reported, was "it is a d— lie," and when he cooled down a bit he went on to explain that he had heard that it had been reported to the board that he was keeping a blind tiger. The board admitted, but tried to shut him off by saying that they had already elected a successor, and there was no need to hear more of it. This did not suit Mr. Roach, however, and he demanded the action of the board in electing his successor be rescinded. This they finally concluded to do and the whole matter was postponed until the 11th inst., when the three dispensers will be elected.

It is reported that the board had already elected Mr. Murray Kirkland to succeed Dispenser Scott, Mr. William Price to succeed Dispenser Roach, and had re-elected Dispenser Cartledge.—The State, 5th.
